3rd party integrations

An obituary is forever, but it shouldn't take that long to place one

Obituaries are one of your most read sections and a consistent source of revenue. Memoriams was designed with funeral directors and publishers as the next generation tool to streamline the obituary order entry process.

Memoriams allows funeral directors to submit time-sensitive information for print and online. The simple four-step process eliminates errors and is available any time of the day.

Increase revenues and profits in this valuable category. Memoriams allows local customization to include your brand, packages, and à la carte upsells. Save time for your team and your customer. Accurate rating and dynamic previews reduce the back-and-forth revision process.

Memoriams is simply the most efficient and elegant obituary solution available.
