## Building powerful solutions for forward-thinking media companies

Your advertisers are flooded with options. Adpay makes it easy to compete in a crowded space. Capture your share of the local Marketplace with easy self-serve, reverse publishing to print and patented Call Center upsells. All ads are showcased in today's vibrant mandatory responsive design search. An intuitive marketplace suite promotes your success by implementing the industry's most customizable solution. Adpay helps you drive content and audience with unlimited use of our ad tools, all at one flat rate.

### Generate revenue 24/7

Fifteen years of research and design have resulted in a strategy that works. Our digital-first DIY is a simple three-step process that generates more money for print and online. The mobile-friendly search mirrors your branding and classifications to keep it local.

This is not a cookie-cutter platform; this is your sandbox to try new ideas and to build on ones that work. Leverage the value of Adpay's best practices and your trusted brand to put you in charge of business growth.

**Your market is unique, we understand.  
Let's build a marketplace together!**

We do the heavy lifting for you. Our team supports your goals and helps you challenge competitors head-on. Exceptional customer service also sets Adpay apart. Drive new revenues and shake-it-up with Click-N-Buy's e-commerce enabled marketplace solutions.
